- Name of person making decision and position (if not Clerk):
- Date of decision: **29th July 2016**
- Details of decision taken:

To place an order for 8 LED Panels for the Grange Hall Foyer at a total cost of £1150.00, cost is split 50/50 with Stratford District Council in accordance with the constitution

- Reasons for decision:

The lighting in the Foyer needed to be changed, two diffusers needed to be replaced but the diffusers are now obsolete, as such we could not get replacements, therefore the lights were replaced with LED panels. By replacing the lighting, it would bring it up to date to meet the current H & S legislation and energy costs would reduce by approximately 30%. Eight panels in total were replaced a total cost of £1150.00.
